

## PHOTOGRAPHS FOR PUBLICATION

From time to time we like to send photographs of 1<sup>st</sup> Tolworth activities to the local Press. We also sometimes send pictures to the District newsletter "Insight" or even to the National Scouting Magazine.

It is our policy never to publish any address details or children's names in captions associated with the photographs so that children cannot be identified in any way. We may, on particular occasions, ask for permission to use your children's names but would not do so otherwise.

We also have a 1<sup>st</sup> Tolworth website and would like to be able to include photographs in this under the same conditions.

We would therefore, like to have your approval to use photographs that may include your child or alternatively would like to know if you prefer us not to do this.

There may also be times when your child is photographed at a District run event and again these photos may be sent to the local Press.

We ask you to be aware that we have no control over publication of photographs taken by the local Press themselves at such public occasions at St George's Day Parade.

This letter only concerns pictures sent in by us.

*Please return the form below so that we can conform to your wishes.*
